Profile

I am passionate about coding and the tech industry. I love the challenge that comes with being a developer. I find constant learning and problem solving extremely satisfying. Although I am relatively new to the industry I have a strong and consistent work ethic and pick up new skills quickly.

Technical Skills:

- Java Script
- Python
- Elixir
- MySQL
- PostgreSQL
- Docker
- Git/Github

Frameworks and Libraries:

- Ecto
- Phoenix LiveView
- React
- Next.js
- Tailwind
- Three.js

Soft Skills:

- Communication
 - Creativity
 - Work Ethic
 - Critical Thinking
 - Attention to Detail
 - Self-Motivation
-
